Experienced Team:

With the support of our experienced team, we are providing Import Export Consultancy Services to our clients in a hassle-free manner. We are providing best solutions and services as per the customers' requirements. We have also good connectivity with several government departments, CHA's, Transporters, Banks to ensure any work related to Import Export. We are providing services to avail promotional schemes for your products which are offered by government like Drawback, MEIS, EPCG, Advance License etc as well as undertake DGFT, customs & GST related works. Moreover, we offer our services at the best price.

We know that mistakes by anyone in any business are very harmful. In short every mistake has a cost to company. In day to day working we can't avoid such mistakes, to avoid such types of mistakes we have developed our own SOP Standard Operating Procedures.

Import Export Consultancy:

We are providing our consultancy services to avoid losses due to lack of knowledge of Indian FTP rules regulations as well as Consignees country rules & regulations. We are providing day to day's updates also helping to do Import Export smoothly.

Export Marketing:

Digital world changed each human being in the world widely for the past two decades. Information technology plays a vital role in all sectors especially in international business. Online Marketing, Social Media, Trade Fair & Exhibition, Export promotion agencies, Commodity Board, Government Embassies, Personal Meet, Appointing a Agent. We are using our ideas for most effective marketing.

Distributor:

D Exim working as a middleman, who handles consumer or business goods that may be manufactured or not manufactured, imported or exported. We are handling distributorship with help of our prompt supply chain management.

Brand Building:

Brand building is most important part of Import Export. We are using strategies and campaigns with the goal of creating a unique and lasting image in the marketplace. D Exim will provide Logo, design for Labels, packages to Importer & Exporters which is never been used before.

Market leadership for various products or services on behalf of client:

Market leadership is the position of a company with the largest market share or highest profitability margin in a given market for goods and services. Market share may be measured by either the volume of goods sold or the value of those goods. D Exim provides valuable services for your brands, Products to become a leader in market.

Manage Franchises:

A franchise is a type of license that grants a franchisee access to a franchisor's proprietary business knowledge, processes and trademarks, thus allowing the franchisee to sell a product or service under the franchisor's business name. In exchange for acquiring a franchise, the franchisee usually pays the franchisor an initial start-up fee and annual licensing fees.
